**THE YORK WATER COMPANY  
130 EAST MARKET STREET  
YORK, PENNSYLVANIA 17401**

March 26, 2019

**PROXY STATEMENT**

This Proxy Statement and the accompanying form of proxy are being furnished to the shareholders of The York Water Company (hereinafter referred to as the “Company”) in connection with the solicitation of proxies by the Board of Directors of the Company, whereby shareholders would appoint Erin C. McGlaughlin, Robert P. Newcomer, and Ernest J. Waters as Proxies on behalf of the shareholders, to be used at the Annual Meeting of the Shareholders of the Company to be held at The Appell Center for the Performing Arts, 50 North George Street, York, Pennsylvania 17401, at 1:00 p.m. on Monday, May 6, 2019 (the “Annual Meeting”), and at any adjournment thereof.

Solicitation of proxies will be made by mail, telephone and internet. Those shareholders who previously opted out of printed copies of the proxy materials will receive a Notice Regarding the Availability of Proxy Materials (the “Notice”) by mail. The Notice will instruct you as to how you may access and review the proxy materials. The Notice also instructs you as to how you may submit your proxy via internet or by telephone. If you previously opted out of printed copies of the proxy materials but would like to receive a printed copy of such materials, you should follow the instructions included in the Notice. Those shareholders who have requested printed copies and some of those who have not specifically opted out of printed copies of the proxy materials will be provided printed copies. It is anticipated that proxy materials will first be mailed and made available via internet on March 26, 2019.

The expense of this solicitation will be paid by the Company. If necessary, some of the officers of the Company and regular employees of the Company may solicit proxies personally or by telephone for no additional pay. Banks, brokerage houses and other institutions and fiduciaries will be requested to forward the proxy materials to beneficial owners and to obtain authorization for the execution of proxies.

A shareholder who submits a proxy electronically, by telephone, or completes and forwards the enclosed proxy is not precluded from attending the Annual Meeting and voting his or her shares in person, and may revoke the proxy by delivering a later dated proxy or by written notification to the corporate secretary at any time before the proxy is exercised.

***PURPOSE OF THE MEETING***

At the Annual Meeting, shareholders of the Company will consider and vote upon two proposals: (i) to elect four (4) Directors to serve for a term of three (3) years; and (ii) to ratify the appointment of Baker Tilly Virchow Krause, LLP as the independent registered public accounting firm for the fiscal year ending December 31, 2019. Shareholders may also consider and vote upon such other matters as may properly come before the Annual Meeting or any adjournment thereof.

## ***VOTING AT THE MEETING***

The outstanding securities of the Company entitled to vote at the meeting consist of 12,945,790 shares of our common stock. The presence at the Annual Meeting in person or by proxy of shareholders entitled to cast a majority of the votes that all shareholders are entitled to cast will constitute a quorum for the Annual Meeting. Abstentions and broker non-votes (when accompanied by broker votes) are considered present and entitled to vote for purposes of establishing a quorum.

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or at any adjournment or adjournments thereof was the close of business on February 28, 2019. Shareholders are entitled to one vote for each share on all matters coming before the meeting.

In accordance with Pennsylvania law, a shareholder can withhold authority to vote for all nominees for Director or can withhold authority to vote for certain nominees for Director. Directors will be elected by a plurality of the votes cast, meaning that the four nominees who receive the most affirmative votes will be elected. Votes that are withheld will be excluded from the vote and will have no effect. In accordance with our majority voting policy, any nominee for election as a director who receives a greater number of “withhold” votes than votes “for” election in an uncontested election must deliver his or her resignation to the Board of Directors for consideration by the independent Directors. See “Proposal 1 Election of Directors” for more information on the majority voting policy.

The proposal to ratify the appointment of the independent registered public accounting firm will require the affirmative vote of a majority of the votes cast, and any votes that abstain on such proposal will not be counted for or against the proposal. If a signed proxy is returned with no markings on any of the proposals, the votes represented by that proxy will be voted as recommended by the Board of Directors on each of the proposals.

Brokers who have received no voting instructions from their customers will not have discretion to vote with respect to election of Directors, but will have the discretion to vote with respect to the proposal to ratify the appointment of the Company's auditors.

### ***SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE***

The Company believes that during the year ended December 31, 2018, all Directors and Executive Officers timely complied with all applicable filing requirements of Section 16(a) of the Securities Exchange Act of 1934. The foregoing statement is based solely upon a review of copies of reports on Forms 3, 4 and 5 furnished to the Company and written representations of its Directors and executive officers that no other reports were required.

### ***PROPOSAL 1 ELECTION OF DIRECTORS***

The bylaws of the Company provide that the Board of Directors will consist of no less than eight Directors and no more than twelve Directors, segregated into three classes, and elected to staggered three-year terms of office. During 2018, the Board consisted of ten Directors. Each Director class consists of three or four Directors.

The Nomination and Corporate Governance Committee recommends that the four nominees, each of whom is currently serving as Director, be elected at the Annual Meeting, to serve for the ensuing three (3) years and until their respective successors have been elected and qualified. There were no nominee recommendations from shareholders or from any group of shareholders submitted in accordance with bylaw provisions. Each share represented by the enclosed proxy will be voted for each of the nominees listed, unless authority to do so is withheld. If any nominee becomes unavailable for any reason or if a vacancy should occur before the election (which events are not anticipated), the shares represented by the enclosed proxy may be voted as determined by the Proxies.

The four Directors are to be elected by a plurality of the votes cast at the Annual Meeting, meaning that the four Directors receiving the most votes are elected, whether or not they receive a majority of the vote. In 2018, the Board of Directors adopted a majority voting policy whereby in an uncontested director election where the only nominees are those recommended by the Board, any incumbent Director nominated for re-election who receives a greater number of votes “withheld” for his or her election than votes “for” such election will promptly tender his or her resignation after such election. The independent Directors of the Board will evaluate the relevant facts and circumstances in connection with such Director’s resignation, giving due consideration to the best interests of the Company and its shareholders. Within 60 days after the election, the independent Directors will make a decision on whether to accept or reject the tendered resignation, or whether other action should be taken. The Board will promptly disclose publicly its decision and the reasons for its decision. The Board believes this process enhances accountability to shareholders and responsiveness to shareholder votes, while allowing the Board appropriate discretion in considering whether a particular Director’s resignation would be in the best interests of the Company and its shareholders.

## ***CORPORATE GOVERNANCE***

The Board of Directors operates under specific corporate governance principles and guidelines based on the Company's Bylaws, Standing Resolutions, and Policies. The Nomination and Corporate Governance Committee monitors, develops and makes recommendations to the Board of Directors based on these principles and guidelines. Some of the principles and guidelines are listed below.

### **Board Selection**

The Bylaws of the Company provide that the Board of Directors will consist of no less than eight Directors and no more than twelve Directors, who are elected to staggered three-year terms of office. There is a mandatory retirement age of 75 for all Directors.

The Nomination and Corporate Governance Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and shareholders. The Nomination and Corporate Governance Committee recommends nominees to the Board based on the appropriate size, function and needs of the Board, so that the Board as a whole collectively possesses a broad range of skills, industry and other knowledge, and business and other experience useful to the effective oversight of the Company. Some of these skills include crisis management, accounting and finance, corporate governance, merger and acquisition, business development and risk management. The Nomination and Corporate Governance Committee also seeks Board members who will add diversity to the Board in areas such as professional experience, perspectives, education, skills, backgrounds, demographics (including gender, race, age, national origin, etc.), culture and work-style. In addition, Directors should have experience in positions with a high degree of responsibility, be leaders in the companies or institutions with which they are affiliated, have a high degree of integrity, and be selected based upon contributions they can make to the Company. The Nomination and Corporate Governance Committee considers all of these qualities when selecting, subject to Board ratification, candidates for Director. No distinctions are made between internally-recommended candidates and those recommended by shareholders.

### **Director Independence**

The Company's Common Stock is listed on the NASDAQ Global Select Market ("NASDAQ"). NASDAQ listing rules require that a majority of the Company's Directors be "independent directors" as defined by NASDAQ corporate governance standards. In compliance with this rule, the Board of Directors examines the independence of its members annually. In order for a Director to be considered independent, the Director must not be an executive officer or employee of the Company and the Board must determine that the Director has no relationship, which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a Director. Generally, but not exclusively, a Director does not qualify as an independent director if the Director:

1. Has been employed by the Company or its affiliates in the current year or past three years;
2. Has accepted, or has an immediate family member who has accepted, any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence (except for payment for Board service, retirement plan benefits or non-discretionary compensation, or in the case of an immediate family member compensation as an employee);
3. Has an immediate family member who is, or has been in the past three years, employed by the Company as an executive officer;
4. Has been or has an immediate family member who has been a partner in, a controlling shareholder or an executive officer of any organization to which the Company made or from which it received, payments (other than those which arise solely from investments in the Company's securities or under non-discretionary charitable contribution matching programs) that exceed five percent of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, in any of the past three fiscal years;

5. Has been or has an immediate family member who has been employed as an executive of another entity where any of the Company's executives serve or have served during the past three years on that entity's compensation committee; and
6. Is or has an immediate family member who is a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

The Board has determined that Directors Cawley, Dotzel, Gang, Hodges, Kain, Keller, McGlaughlin, Newcomer, Rasmussen and Waters are independent directors under the NASDAQ listing standards. Mr. Hines, who is an employee of the Company, is not considered an independent director.

The Board based these determinations primarily on a review of the responses of the Directors and executive officers to an annual questionnaire regarding employment history, affiliations, family and other relationships, together with an examination of those companies with whom the Company transacts business. In addition, Directors are required to notify the Board when considering new directorships.

In making the determination that Mr. Gang is independent under the NASDAQ rules, the Board considered payments of \$263,847 in 2018 and \$136,226 in 2017 made to Post & Schell PC, a law firm in which Mr. Gang is Chairman of the Board and Principal. Post & Schell PC is the Company's regulatory counsel. The amounts paid represent less than 0.50% of the revenue of Post & Schell PC. The Company pays the same rates for services as the firm's other comparable clients. Mr. Gang is not a controlling shareholder of the firm.

In making the determination that Mr. Rasmussen is independent under the NASDAQ rules, the Board considered payments of \$248,828 in 2018 and \$38,112 in 2017 made to affiliated entities of Adams Electric where Mr. Rasmussen serves as an executive officer. The amounts paid represent less than 0.50% of the revenue of Adams Electric and its affiliated entities. The payments were for electric service, based on rates applicable to all Adams Electric consumers, and for gasoline which was purchased through a bidding process.

The Company has a banking relationship with Fulton Bank, where Mr. Hodges and Mr. Waters are members of the Board of Directors. The amounts paid to the entity were not material.

In addition to these relationships, the Company purchases from and sells services to certain Directors or the organizations with which they are affiliated at rates that are either regulated or the same as those charged to the same class of customers.

The Board determined that the noted relationships do not create a conflict of interest or impair any Director's judgment with respect to Board member responsibilities. Directors who are involved with entities being discussed or voted upon at a meeting abstain from voting on that matter.

### **Board Leadership Structure**

The preference of the Board, per its Standing Resolutions, is for the Chairman of the Board to be an independent director as defined by NASDAQ. Generally, independent directors provide oversight and protect shareholder interests, and they offer more objective input and leadership to the Board. The Board believes this structure is in the shareholders' best interest. The Chairman leads regular executive sessions of the Board's independent Directors. In addition, the Chairman of the Board and the Chairman of the Nomination and Corporate Governance Committee annually evaluate the performance of the individual Directors.

## **Board Role in Risk Oversight**

The Board and its Committees are responsible for oversight of the Company's risk management process. The Audit Committee is responsible for oversight of risks relating to the Company's financial statements, financial reporting processes, the evaluation of the effectiveness of internal control over financial reporting and compliance with certain of the Company's ethics policies.

The Compensation Committee is responsible for monitoring risks associated with the design and administration of the Company's compensation programs and performs the annual performance review of the Chief Executive Officer (the "CEO"). Other risks such as regulatory risk, environmental risk, and strategic risk are monitored by the Executive Committee, the Nomination and Corporate Governance Committee, or the full Board.

Senior management of the Company is responsible for identifying risks, managing risks, and reporting and communicating risks and mitigation efforts back to the Board of Directors or the designated committee. While certain elements of risk are addressed at each Board meeting, management and the Board of Directors conduct a comprehensive analysis of risk on an annual basis. The Board believes a Chairman that is independent of management adds another layer of insight to the risk assessment process.

## **Board Committees and Functions**

The Company has an Executive Committee, an Audit Committee, a Compensation Committee, and a Nomination and Corporate Governance Committee, all of which are composed of members of the Board of Directors. The Audit, Compensation, and Nomination and Corporate Governance committees must be composed of at least three Directors all of which are considered independent directors under the NASDAQ rules. Each of these three key committees has a charter which is reviewed at least annually, and which is posted on the Company's website at [www.yorkwater.com](http://www.yorkwater.com) under "Investor Relations", then "Corporate Governance".

The Executive Committee is empowered to function as delegated by the Board of Directors. Their main focus is on budgeting, ratemaking, and debt and equity financing. The Executive Committee is composed of the following Directors appointed by the Board: George W. Hodges, Chairperson; James H. Cawley, Esq.; Michael W. Gang, Esq.; Jeffrey R. Hines, P.E.; Robert P. Newcomer; and Ernest J. Waters. The Executive Committee held two (2) meetings during the fiscal year ended December 31, 2018.

The Audit Committee is composed of the following independent Directors appointed by the Board: Steven R. Rasmussen, CPA, Chairperson; Erin C. McGlaughlin; Robert P. Newcomer; and Ernest J. Waters. Based on a review of the background and experience of the members of the Audit Committee, the Board of Directors has determined that all members of the Audit Committee meet the additional requirements for independence applicable to Audit Committee members, are financially literate and are "audit committee financial experts" within the meaning of applicable SEC rules. The Audit Committee held four (4) meetings during the fiscal year ended December 31, 2018.

The Compensation Committee considers and makes recommendations to the Board of Directors concerning the appropriate compensation package for the corporate officers, Directors and members of the Committees of the Board of Directors of the Company, including incentives. Compensation for corporate officers is further explained in the Compensation of Directors and Executive Officers section of this proxy statement. Director and committee member compensation is based on a review of fees paid by peers and other public companies.

The Compensation Committee is composed of the following independent Directors appointed by the Board: Ernest J. Waters, Chairperson; George Hay Kain III; Jody L. Keller, SPHR; and Robert P. Newcomer. The Compensation Committee held two (2) meetings during the fiscal year ended December 31, 2018.

The Nomination and Corporate Governance Committee recommends the appropriate Board structure, reviews the Company's succession planning, oversees the Board's annual evaluation of its performance and the performance of other Board Committees, evaluates corporate governance best practices, and makes recommendations to the Board of Directors for nominations for Directors and Officers of the Company. The Committee will consider nominees recommended by shareholders of the Company in accordance with the Company's Bylaws.

The Nomination and Corporate Governance Committee is composed of the following independent Directors appointed by the Board: James H. Cawley, Esq., Chairperson; Erin C. McGlaughlin; and Steven R. Rasmussen, CPA. The Nomination and Corporate Governance Committee held two (2) meetings during the fiscal year ended December 31, 2018.

### **Communication with the Board of Directors**

Shareholders who wish to communicate with the Board of Directors or specific individual Directors may do so by directing a written request addressed to such Directors or Director in care of the Secretary of The York Water Company, at the address appearing on the first page of this proxy statement. Communication(s) directed to members of the Board of Directors who are also executive officers will be relayed to the intended Board member(s) except to the extent that it is deemed unnecessary or inappropriate to do so pursuant to the procedures established by a majority of the independent Directors. Communications directed to non-management Directors will be relayed to the intended Board member(s) except to the extent that doing so would be contrary to the instructions of the non-management Directors. Any communication so withheld will nevertheless be made available to any non-management Director who wishes to review it.

### **Executive Sessions of the Board**

The independent Directors of the Board schedule regular executive sessions of independent Directors in which they meet without management participation. The Chairman of the Board leads these sessions.

### **Stock Ownership**

The Board approved a stock ownership policy in 2016. Each non-employee Director shall within five (5) years of appointment, or five (5) years from the original date of the policy, whichever is later, attain shares valued at three (3) times the annual cash retainer at that time. No adjustments for subsequent fluctuations in stock price or cash retainers will be made. A Director may use both purchased and granted shares to meet the requirement. A Director must continue to hold a minimum of three (3) times the annual retainer for as long as they are a Director. In addition, the CEO of the Company shall within five (5) years of hire, or five (5) years from the original date of the policy, whichever is later, attain shares valued at three (3) times his or her annual base salary at that time. No adjustments for subsequent fluctuations in stock price or base salary will be made. The CEO may use both purchased and granted shares to meet the requirement. The CEO must continue to hold a minimum of three (3) times his or her annual base salary for as long as he or she holds the position of CEO. As part of the Company's Securities Trades Policy, directors, officers and selected employees are prohibited from trading in Company securities on a short-term basis, engaging in short sales, purchasing Company stock on margin, buying or selling puts or calls, pledging securities, or otherwise engaging in any type of hedging transactions involving Company securities.

### **Code of Ethics**

The Company's Board of Directors has adopted a Code of Conduct applicable to all Directors, officers and employees. The Code of Conduct constitutes a "code of ethics" as required by Item 406 of Regulation S-K. There were no waivers of the Code made for any Director, officer or employee during 2018. A copy of the Code of Conduct was filed with the Securities and Exchange Commission as Exhibit 14 to the Company's Quarterly Report on Form 10-Q for the period ended June 30, 2014. The Code of Conduct is also available, free of charge, on the Company's website, [www.yorkwater.com](http://www.yorkwater.com), under "Investor Relations", then "Corporate Governance". The Company intends to disclose material amendments to, or Director, officer and employee waivers from, the Code of Conduct, if any, on its website, or by Form 8-K to the extent required.

**REPORT OF THE AUDIT COMMITTEE**

The Audit Committee reviews the Company’s financial reporting process on behalf of the Board, including reports to the Securities and Exchange Commission on Forms 10-Q and 10-K, the Company’s internal control over financial reporting and releases of earnings. In addition, the Committee selects, subject to shareholder ratification, the Company’s independent registered public accounting firm and evaluates the performance of the firm.

Management is responsible for the Company’s internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an integrated audit of the Company’s financial statements in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB) (United States) and to issue reports thereon. The Committee’s responsibility is to monitor and oversee these processes.

In this context, the Committee has reviewed and discussed the audited financial statements with management; has discussed with the independent registered public accounting firm, Baker Tilly Virchow Krause, LLP (“Baker Tilly”), the matters required to be discussed by Auditing Standards No. 1301, as adopted by the Public Company Accounting Oversight Board; has received the written disclosures and the letter required by the PCAOB regarding independence communications; and has discussed Baker Tilly’s independence with the firm and management.

Based upon the Committee’s discussions with management and Baker Tilly and the Committee’s review of the representations of management, and Baker Tilly’s report to the Committee, the Committee recommended that the Board include the audited financial statements in the Company’s Annual Report on Form 10-K for the year ended December 31, 2018 for filing with the SEC.

**PROPOSAL 2**  
**RATIFICATION OF APPOINTMENT OF**  
**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has approved the appointment of Baker Tilly as the independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2019. Although we are not required to seek shareholder approval of this appointment, the Board of Directors believes it is in the best interests of shareholders to be given the opportunity to ratify the appointment. If shareholders do not ratify the appointment of Baker Tilly, the Audit Committee will consider the appointment of another independent registered public accounting firm for the Company in future years. It is understood that even if the selection of Baker Tilly is ratified by the shareholders, the Audit Committee, in its discretion, may direct the appointment of a new independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders.

Representatives of Baker Tilly are expected to be present at the 2019 Annual Meeting of Shareholders, will have the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

**Principal Public Accountant’s Fees and Services**

Audit fees and all professional services rendered by the Company’s independent registered public accountants, Baker Tilly were approved by the Company’s Audit Committee. The Board considers the possible effect on auditors' independence of providing non-audit services prior to the service being rendered.

The following table presents fees for services provided by Baker Tilly for 2018 and 2017:

|                    | <u>2018</u> | <u>2017</u> |
|--------------------|-------------|-------------|
| Audit Fees (1)     | \$151,028   | \$159,783   |
| Audit Related Fees | -           | -           |
| Tax Fees (2)       | 13,650      | 13,250      |
| All Other Fees     | -           | -           |
|                    | \$164,678   | \$173,033   |

(1) Professional services rendered for 2018 and 2017 include (a) the audit of the Company's annual financial statements, (b) the review of the financial statements included in the Company's Quarterly Reports on Form 10-Q, and (c) the audit of the effectiveness of internal control over financial reporting.

(2) Tax fees include preparation of the federal income tax return and other tax matters.

The Audit Committee approves in advance any audit or non-audit services provided by outside auditors. During 2018 and 2017, there were no exceptions to the Audit Committee's pre-approval requirements.

Adoption of this proposal requires the affirmative vote of a majority of the votes cast by all shareholders entitled to vote at the Annual Meeting.

**The Board of Directors unanimously recommends a vote “FOR” the ratification of Baker Tilly Virchow Krause, LLP as the Company’s independent registered public accounting firm for the 2019 fiscal year.**

- (1) To assist the Company in establishing base salary in 2017, the Compensation Committee directed management to provide a comparison between compensation for senior management with the four most similar water utility peer companies. These companies included: Middlesex Water Company (MSEX), Connecticut Water Company (CTWS), Artesian Water Company (ARTNA), and San Jose Water Company (SJW). Compensation information for the comparable companies was obtained for the named executive officers as reported in the 2017 proxy statements. In order to adjust for size differences, a regression analysis was performed based on the following attributes of the comparable companies: total revenue, number of customers, net utility plant, and number of employees. Comparable company attributes were obtained from proxy statements, annual reports, and SEC 10-K filings. After correlating for these size differences through a regression analysis, it was deemed appropriate that the Company's compensation goal should be between 80% and 120% of the projected base compensation. The width of this band reflects such items as: complexity of operations, variations in duties of the incumbents, time in service, geographic differences in cost of living, and statistical uncertainty due to a relatively small sample size.

Due to the small sample size of peer water utilities and significant geographic differences, the Company also compared several similarly sized (by net income), publicly traded companies located in its service area to ensure that its senior executive compensation is competitive with similar organizations in the area. The Company selected two locally based, publicly traded financial institutions for this comparison: Codorus Valley Bancorp (CVLY) and Adams County National Bank (ACNB). These companies were selected because they serve the same geographic area, are similar sized, and operate in a highly regulated environment which is comparable to a water company. It was deemed appropriate that the Company's compensation goal should be between 80% and 120% of the base compensation of these local comparable companies. The width of this band reflects such items as: complexity of operations, variations in duties of the incumbents, and time in service.

The base salary level of named executive officers will be reviewed annually to determine if the peer groups described above, and the 80% to 120% band widths continue to be appropriate based on changes relative to comparable companies, product line, the current regulatory environment, changes in water and wastewater quality standards, competition for competent management, and growth in the service territory, as well as other relevant factors.

The Compensation Committee also considers subjective factors such as the value of the position to the Company, competition for executives, the performance of the executive, and the length of service in the current position and with the Company when determining base salary levels.

The Company does not provide bonuses to senior management.

- (2) In 2016, shareholders approved a Long-Term Incentive Plan to advance the long-term success of the Company, and to increase shareholder value by providing the incentive of long-term stock-based awards to officers, directors and key employees. The plan is administered by the Compensation Committee, which has complete and final authority to, among other things, select participants, to determine the goals and circumstances under which incentive awards are granted, to grant awards and to construe and interpret the Plan. Decisions of the Compensation Committee with respect to the administration and interpretation of the Plan are final, conclusive and binding upon all participants. The Compensation Committee has based the awards for officers on a combination of metrics that link closely to shareholder value. Twenty-five (25) percent of the award is based on achieving a three-year average total shareholder return of 9.5%, twenty-five (25) percent of the award is based on achieving a three-year average return on equity of 9.5%, twenty-five (25) percent of the award is based on achieving a three-year average Pennsylvania Public Utility Commission justified complaint rate per 1,000 customers of less than the Pennsylvania water utility peer group average in the most recently published report, and twenty-five (25) percent of the award is based on maintaining customer rates that are less than the Pennsylvania water utility peer group average. The grants will typically be made in the first or second quarter of the year based on a three-year look back method of these metrics ending with the most recently completed fiscal year. The awards vest ratably over three years for the participants. On May 7, 2018, the Compensation Committee determined that the Company met or exceeded all four metrics for the three-year period ended December 31, 2017. The Committee awarded restricted stock to all officers and other key employees effective May 7, 2018 at a rate of 5% of base salary to vest ratably over three years beginning May 7, 2018. Awards are subject to the Company's clawback policy. The value presented on the table was determined using the closing stock price on May 7, 2018.

- (3) The Company's practice is to use cash awards to incentivize its senior managers in the short-term to create value for its customers and shareholders. To that end, the Company adopted a Cash Incentive Plan in 2005, pursuant to which the Compensation Committee sets annual performance objectives and target incentive payment amounts. All supervisors and managers participate in the plan, including the named executive officers.

The plan is administered by the Compensation Committee, which has complete and final authority to, among other things, select participants, to determine the goals and circumstances under which incentive awards are granted, to grant awards and to construe and interpret the Plan. Decisions of the Compensation Committee with respect to the administration and interpretation of the Plan are final, conclusive and binding upon all participants.

The Compensation Committee has discretion to determine all performance objectives. In addition, the Committee may specify that any incentive award be conditioned upon achievement or satisfaction of business criteria or other measures of performance. One or more of the following business criteria or other measures of performance may be used by the Committee: (1) growth in revenues or assets; (2) earnings from operations; (3) net income or earnings per common share; (4) return on investment or return on equity; (5) stock price or shareholder return; and (6) strategic business criteria, consisting of meeting specified water and wastewater quality standards, environmental or safety standards, affordability of rates and customer satisfaction standards. The Compensation Committee may exercise its discretion to eliminate, reduce or increase the amounts payable as incentive, subject to such business criteria or other measures of performance.

Under the plan, annual performance objectives are established no later than ninety (90) days after the beginning of any annual incentive period, which is usually a calendar year. Each performance objective carries with it a minimum score of five (5) points. Objectives of more significant value or that require more effort, may carry more than five (5) points. No points are awarded for partial achievement of performance objectives. Incentive awards are granted only if an overall score of seventy-five (75) percent of the available performance objective points are achieved. The Compensation Committee believes that achieving performance objectives should be the shared responsibility of management. Accordingly, if an overall score of seventy-five (75) percent of the available performance objective points is achieved, all participants receive their target incentive awards. If an overall score of less than seventy-five (75) percent of the available performance objectives is achieved, no participant receives an award.

The Compensation Committee set the performance objectives and target incentive awards for 2018 on January 29, 2018. For 2018, the Compensation Committee determined that the amount of the target cash incentive award would be 5% of the base salary as of December 31, 2018 for each management employee, including named executive officers. The Committee selected 5% as the target cash incentive award for 2018, and for all the previous years since the plan's inception in 2005, after considering various factors. One such factor was the range of other benefits already provided by the Company. Another factor was the comparison of the Company's total salary and benefit package to the compensation packages paid by other comparable companies. A third factor was the level of motivation needed to achieve the established goals of the Company. Finally, the Compensation Committee considered how the plan would be perceived by the regulators, customers and shareholders. All of these factors together contributed to the Committee's decision to keep the target incentive relatively low as compared to other companies.

The 2018 performance objectives as determined by the Compensation Committee were, among other things: replace and reline over 50,000 feet of pipe; replace 400 company-owned lead service lines and the attached customer-owned lead service line; expand an inventory of customer-owned service lines which are made of lead; provide a water test to all customers with a company-owned or customer-owned lead service line that requests such a test; review the corrosion control; complete the integration of the new raw water pumping station and pipeline; complete the Lake Williams upstream valve installation; obtain a permit for the Lake Williams spillway replacement; conduct needs surveys for additional portions of the current service territory without public water supply; submit a rate case to the Pennsylvania Public Utility Commission if one is deemed appropriate or submit an application to increase the allowed distribution system improvement charge; and implement a fixed collector network for the gravity system.

On January 28, 2019, the Compensation Committee determined that management had achieved eighty (80) percent of the performance objectives listed above for 2018, as well as the set business criterion for 2018, which was, earnings per common share of \$0.89. The Committee awarded the named executive officers the amounts set forth in the table. Non-equity plan incentive plan compensation is shown in the year earned and is normally paid in the following calendar year. Awards are subject to the Company's clawback policy.

- (4) Amounts presented represent the change in the present value of the named executive officer's benefit under the Company's supplemental executive retirement plan described in the "Retirement Benefits" section below. The change in supplemental executive retirement plan can vary from year to year due to changes in the discount rate used to calculate the present value. When the discount rate increases, the present value of the non-qualified deferred compensation liability decreases. The change was lower in 2018 than in 2017 due to an increase in the discount rate to 4.1% in 2018 from 3.5% in 2017.
- (5) Amounts presented represent the Company contributions to the named executive officer's 401(k) account described in the "Retirement Benefits" section below, credited earnings, tax savings and Company contributions for non-qualified deferred compensation described in the "Retirement Benefits" section below, and personal use of company vehicles. The most common personal use of company vehicles by senior management is commuting to and from work. No named executive officer receives perquisites valued in the aggregate at \$10,000 or more. Named executive officers participate in the Company's other benefit plans on the same terms as other employees. These plans include medical and health insurance, life insurance and employee stock purchase plan ("ESPP"). Under the ESPP, full-time employees with at least 90 days of service are eligible to purchase company stock through payroll deduction, up to 10% of their regular salary, at a 5% discount from fair market value. The Compensation Committee considers the ESPP as a contributing factor to hiring and retaining employees, and as a way of aligning employee interests with those of shareholders.

## RETIREMENT BENEFITS

**Defined Benefit Pension Plan.** The Company provides a traditional defined benefit pension plan covering employees hired before May 1, 2010. All named executive officers are entitled to benefits under the defined benefit pension plan upon retirement after the age of 55 on the same terms as other pension-eligible employees. The pension benefit is based on the years of service multiplied by the sum of \$19.25 and 1.50% of that portion of the final average monthly earnings which are in excess of \$400. The final average monthly earnings are the average of the employee's earnings for the highest consecutive sixty (60) complete months during the last one hundred and twenty (120) complete months immediately prior to the date the pension benefit calculation is made. Normal (full) retirement benefits are payable at age 65, or at age 62 with twenty-five years of service. Employees who terminate their employment prior to the age of 55 may elect to collect reduced benefits upon attaining age 55, or full benefits at age 65. Early retirement benefits are reduced by 5/9 of a percent for each of the first 60 months by which the early retirement date precedes the normal retirement date, and 5/18 of a percent for each month in excess of 60 months by which the early retirement date precedes the normal retirement date. There were no payments to named executives made under this plan during the last fiscal year. Employees begin accruing benefits under the pension plan when they commence work at the Company.

**Supplemental Executive Retirement Plan.** The Company provides a supplemental retirement program, which provides senior management with a retirement benefit at or after the age of 55 in addition to the defined benefit pension. The supplemental retirement program is designed to encourage senior management to stay with the Company until retirement. Generally, supplemental retirement benefits are made available to senior management and are payable to the executive or his beneficiary, after retirement, over 15 years beginning no earlier than age 60. The annual benefit payable under the supplemental retirement program is calculated by multiplying the number of years of eligible service subsequent to the plan commencement date by a predetermined annual retirement benefit unit. The estimated annual benefit payable to Mr. Hines at normal retirement age (65) under the supplemental retirement program is \$53,333. The estimated annual benefit payable to Mr. Hand and Mr. Poff at normal retirement age under the supplemental retirement program is \$33,333. Benefits are paid monthly. Named executive officers who terminate their employment prior to the age of 55 forfeit their supplemental retirement benefits. Named executive officers who terminate their employment between the ages of 55 and normal retirement age are subject to alternate annual retirement benefit units as provided in the plan agreements. If a named executive officer were to die before retirement, his or her beneficiary would receive a death benefit of \$500,000, with the exception of Mr. Hines' beneficiary, who would receive \$800,000. If a named executive officer were to die after retirement but prior to age 60, his beneficiary would receive the benefit earned at retirement. There were no payments to named executives made under this plan during the last fiscal year. Employees do not become eligible for the supplemental retirement program until they become executives of the Company.

**Deferred Compensation Plan.** The Company provides a deferred compensation program to management. The deferred compensation program permits managers and executives to defer up to 5% of salary over an eight (8) to eleven (11) year period, with the Company matching the deferment up to 2.50% of salary. Annually, the Company credits participants' accounts with interest on the existing balance at a rate selected by the Company, currently equal to the December 15 rate of Moody's AAA Corporate Bond Yield. The interest rate amounted to 4.02% for 2018. Also annually, the Company credits participants' deferred compensation balances with tax savings accruing to the Company. The tax savings do not represent a gross up of the deferred compensation payout, but rather a pass-through of the tax benefit the Company will realize when benefits are paid to participants. Some participants, including Mr. Hines, are eligible for an enhanced benefit based on each participant's enhancement factor and the related tax savings associated with their enhanced benefit. The deferred compensation program does not provide above-market or preferential earnings. Certain members of management hired after May 1, 2010 who are not eligible for the defined benefit pension plan, are eligible for an enhanced deferred compensation plan. None of the named executive officers are benefiting under the enhanced plan.

Following a named executive officer's retirement, or if a named executive officer becomes disabled before his deferred income account has been distributed, a monthly retirement benefit will be paid to him in one hundred and twenty (120) monthly installments.

If a named executive officer's employment with the Company is terminated other than by death or disability before he is eligible for retirement (age 60) and attaining less than 10 years in the plan, the amount of his contributions and the earnings thereon shall be distributed to such named executive officer immediately upon his termination in a

lump sum. If a named executive officer's employment with the Company is terminated before he is eligible for retirement (age 60), but after attaining 10 years but less than 15 years in the plan, the amount of his vested account including his contributions and the earnings thereon, and the Company's matching contributions and earnings thereon shall be distributed to such named executive officer upon his or her attainment of age 60, in one hundred and twenty (120) monthly installments. If a named executive officer's employment with the Company is terminated before he is eligible for retirement (age 60), but after attaining 15 years of service under the plan, the amount of his contributions and the earnings thereon, the Company's matching contributions and earnings thereon, and the future tax savings to be received by the Company shall be distributed to such named executive officer upon his attainment of age 60, in one hundred and twenty (120) monthly installments. If a named executive officer's employment with the Company is terminated after he is eligible for retirement (age 60), the amount of his contributions and the earnings thereon, the Company's matching contributions and earnings thereon, the enhanced benefit based on his enhancement factor, if applicable, and the future tax savings to be received by the Company shall be distributed to such named executive officer in one hundred and twenty (120) monthly installments.

If a named executive officer were to die before distribution of his deferred income account has commenced, his beneficiary would receive a death benefit in an amount equal to the higher of \$150,000, or the named executive officer's deferred income account (including tax savings) immediately prior to his death. The death benefit will be paid to beneficiaries in a lump sum.

**401(k) Plan.** The named executive officers may participate in the 401(k) savings plan on the same terms as other employees. The Company provides an annual maximum matching contribution of \$2,800 per employee, for participating employees hired before May 1, 2010. All named executives received the maximum matching contribution during 2018. Employees hired after May 1, 2010 who are not eligible for the defined benefit pension plan, are eligible for an enhanced 401(k) plan. None of the named executive officers are benefiting under the enhanced plan.

## POTENTIAL PAYMENTS UPON TERMINATION OR A CHANGE IN CONTROL

The senior management of the Company has built it into the successful business that it is today. The Company believes it is important to protect them in the event of a change of control and to protect the Company from the distractions senior managers often suffer as a result of the uncertainties that frequently surround changes in control. Accordingly, the Company entered into amended and restated agreements with each of the senior managers. These agreements incentivize the senior managers to continue their employment amid the uncertainty that often follows changes in control and thereby promote stability for the Company during such times. The agreements are valid for an initial term of five years and renew automatically for one-year periods after the first five years. The agreements terminate upon the employee reaching age 65 or terminating employment with the Company. The Company must provide 90 days' notice to terminate the agreements.

**Description of Change in Control Agreements.** The Company has entered into Amended and Restated Change in Control Agreements with each named executive officer that provides for payments to them under certain circumstances in connection with a change in control in consideration of such named executive officers agreeing not to compete with the Company for a period of time following the termination of their employment.

Under all agreements, generally a "change in control" will occur if:

- Any person or affiliated group (with limited exceptions) becomes the beneficial owner in the aggregate of 50 percent or more of all of the voting securities;
- A majority of the Board of Directors is involuntarily removed or defeated for re-election to the Board of Directors (for example, as a result of a proxy contest);
- The Company is party to a merger or reorganization pursuant to which the holders of the voting securities prior to such transaction become the holders of 50 percent or less of the voting securities of the new merged or reorganized company; or
- The Company is liquidated or dissolved, or all its assets are sold to a third party.

In each circumstance described above, the Board of Directors may make a determination that the circumstances do not warrant the implementation of the provisions of the agreement, and in such case, the change in control will not trigger any payments under the agreements.

All payments under the agreements are triggered by the occurrence of a change in control, and most payments also require that the relevant senior manager's employment also be terminated. The amounts of payments to the named executive officers under these agreements vary depending on the timing of the change in control and the timing and manner of the termination of employment. Generally, the manner of termination is divided into four categories.

A "for cause" termination results from:

- misappropriation of funds or any act of common law fraud;
- habitual insobriety or substance abuse;
- conviction of a felony or any crime involving moral turpitude;
- willful misconduct or gross negligence by the senior manager in the performance of his duties;
- the willful failure of the senior manager to perform a material function of his duties; or
- the senior manager engaging in a conflict of interest or other breach of fiduciary duty.

A "good reason" termination occurs when the senior manager terminates his own employment following a change in control and after one or more of the following has occurred:

- the Company has breached the change in control agreement;
  - the Company has significantly reduced the authority, duties or responsibilities of the senior manager or reduced his base compensation or annual bonus compensation opportunity;
  - the Company has reduced the senior manager from the employment grade or officer positions which he holds;
- or

- the Company has transferred the senior manager, without his express written consent, to a location that is more than 50 miles from his principal place of business immediately preceding the change of control.

A voluntary termination is the termination by the senior manager of his own employment under circumstances that would not be a “good reason” termination. Examples are ordinary retirement or leaving the Company to seek other job opportunities.

An involuntary termination is a termination in connection with a change in control that is not a “for cause” termination, a good reason termination or a voluntary termination.

**Payouts under Change in Control Agreements.** Under the agreements, all named executive officers are entitled to payment in the case of an involuntary termination or a good reason termination within some time period surrounding a change in control (generally six months prior to or one year following a change in control). Payments are paid in lump sum and are based on a multiple of base salary and cash incentive compensation earned by the named executive officer in the preceding 12 months. This amount is called “base pay.” Additionally, Messrs. Hines, Hand, and Poff are entitled to payment of “stay bonuses” if they remain employed for one year following a change in control, and smaller stay bonuses if they remain employed for at least three months following a change in control and then voluntarily terminate their employment more than three months but less than one year following a change in control. Finally, the named executive officers are entitled to have their health and welfare benefits continue for periods of up to one year following the termination of their employment (subject to such benefits terminating or such named executive officer becoming covered by the benefit plans of another employer).

Payment of the lump sum payments under the change in control agreements is contingent upon the named executive officer executing a standard release. The change in control agreements also contain non-competition provisions that generally require that, a named executive officer will not, while he is employed by the Company and for one year following the termination of his employment by the Company:

- participate in the ownership, management, operation, control or financing of, or be connected as an officer, director, employee, partner, principal, agent, representative, consultant or otherwise with or use or permit his name to be used in connection with, any business or enterprise engaged in by the Company within its franchised territory;
- solicit or attempt to convert any account or customer of the Company to another supplier; or
- solicit or attempt to hire any employee of the Company.

Any breach of this non-competition agreement can result in damages being awarded to the Company, including the amount of one-half of any lump sum payments described above.

**Other Payouts.** The named executive officers will also be entitled to the payouts of their pension and supplemental retirement accounts upon retirement and payout of their deferred compensation accounts upon termination of their employment.

All restrictions applicable to any outstanding restricted stock awards will lapse upon a change in control and all shares of common stock will immediately vest.

Directors who are also current employees of the Company receive no additional compensation for Board service.

**Stock Awards.** The Board is authorized to grant equity-based compensation to non-employee Directors which vests immediately under a long-term incentive plan approved by shareholders in 2016. The Board believes that director fees paid in equity will help to better align Board member objectives with those of shareholders. The equity compensation is determined as a percentage of the annual retainer, with the number of shares based on the closing price of the stock on the grant date. The grant amount is prorated in the event a non-employee Director has not served on the Board for the entire year. The service year is May through April. On May 1, 2017, the non-employee Directors were issued stock awards in the amount of 30% of the annual retainer, or \$4,938, which amounted to 151 shares based on the closing price of the common stock of the Company of \$32.70. The award was for the service year ended April 2018, and the shares vested immediately.

No perquisites are provided to Directors.

There were seven (7) Board of Directors' Meetings during calendar year 2018. All Directors attended more than 75% of the scheduled Board of Directors and committee meetings. In addition, all Directors other than Mr. Gang attended the 2018 Annual Meeting of Shareholders. All Directors are expected to attend the 2019 Annual Meeting of Shareholders, but attendance is not mandatory.

## ***DISCRETIONARY AUTHORITY***

The notice of Annual Meeting of Shareholders calls for the transaction of such other business as may properly come before the meeting. The Board of Directors has no knowledge of any matters to be presented for action by the shareholders at the meeting other than is hereinbefore set forth. In the event additional matters should be presented, however, the proxies will exercise their discretion in voting on such matters.

## ***SHAREHOLDER PROPOSALS AND NOMINATIONS FOR DIRECTORS***

Shareholder proposals to be considered for inclusion in the proxy statement and form of proxy relating to the 2020 Annual Meeting of Shareholders must be received by the Company in writing no later than November 27, 2019. ## ***OTHER MATTERS***

We offer a service approved by the SEC called householding. This service allows shareholders of record who have the same address and last name and do not participate in electronic delivery of proxy materials to receive only one copy of our Proxy Statement and Annual Report. We believe this service provides greater convenience to our shareholders and saves money by reducing our printing and mailing costs and fees. If you and other shareholders of record with whom you share an address and last name currently receive multiple copies of our Proxy Statement and Annual Report and would like to participate in our householding program, please contact Broadridge Financial Solutions, or Broadridge, by calling toll-free at 800-542-1061, or by writing to Broadridge Financial Solutions, Inc., Householding Department, 51 Mercedes Way, Edgewood, New York 11717. Alternatively, if you participate in householding and wish to revoke your consent and receive separate copies of our Proxy Statement and Annual Report, please contact Broadridge as described above.

A number of brokerage firms have instituted householding. If you hold your shares in street name, please contact your bank, broker or other holder of record to request information about householding.
