The York Water Company Announces \$500,000 in 2021 EITC Donations

More than 50 non-profit organizations receive contributions for educational programming, scholarships and Pre-K services to support local communities

York, Pennsylvania, March 25, 2021: [The York Water Company \(NASDAQ: YORW\)](#), the nation's oldest publicly-traded utility company, this week announced it has donated approximately \$500,000 to more than 50 local non-profit organizations in York County through its participation in the state's annual Educational Improvement Tax Credit (EITC) program.

This year's list of organizations receiving EITC support includes: [The Appell Center for the Performing Arts](#), [Children's Home of York](#), [Logos Academy](#), [Crispus Attucks York](#), [Leg Up Farm](#), [DreamWrights Center for Community Arts](#), [York Day Nursery](#), [Community Progress Council](#), [New Freedom Boy Scouts](#), [York History Center](#) and [Girl Scouts in the Heart of PA](#).

York Water, which provides water and wastewater service to 51 Pennsylvania municipalities in York, Adams and Franklin counties, has donated more than \$7 million to support non-profit organizations in the community since 2009. The program provides tax credits to eligible businesses contributing to scholarship, educational improvement and pre-kindergarten scholarship organizations.

"York Water is pleased to support the ongoing work of our local community partners through the EITC program as they empower and equip individuals to learn and grow," said JT Hand, York Water's President and CEO. "We are honored to be a part of investing in the non-profit institutions, leaders, and volunteers that are essential to providing the educational resources and services necessary to lifting up our home communities."

For more than 200 years, York Water has remained dedicated to serving its customers and the community. The company invests locally and is committed to supporting a variety of programs and services to improve the communities where employees serve and live. Learn more at <https://www.yorkwater.com/>
